EMPOWERING FASHION

WHY WE DO WHAT WE DO

EMPOWERING WOMEN THROUGH EDUCATED FASHION

THE NEED

There are currently over 65 million girls out of school in the developing world

If women in the developing world completed secondary education, 3 million children under the age of 5 would be saved every year.

BENDU'S ARTWORK

Bendu is one of the girls whose artwork we use as inspiration for our fashion project. She is from Liberia and studies especially hard for spelling, a skill that will be very useful for her future career as a journalist. At home Bendu is usually helping her mother with the household chores.

WE FEATURE ARTWORK SKETCHED BY UNDERPRIVILEGED
