WORLD BE FREE CAMPAIGN

Our 2015 Campaign

We are uniting 10,000 Everyday People to sing background vocals on one song creating the "World's Greatest Love Song."

Through this effort our 2015 goal is to raise over \$500,000 for charities fighting poverty in America and worldwide.

POVERTY

Currently there are 1.4 billion people living
on less than \$1.25 a day, Extreme Poverty

Above that number there are 2.4 Billion people living
on less than \$2 a day

Poverty in the US is defined as a family of four living
on less than \$24,000 a year

BUSINESS INSIDER

Business Insider Magazine conducted a 2011 survey in the European Union asking:

What Are The Top 10 Problems Facing The World???

BUSINESS INSIDER

RESPONSE

#1 - Poverty, Hunger, Access To Water (28%)

#10 - "I Don't Know" (2%)

**The question I always
want to know is...**

What Do You Stand For???

WHAT DO I STAND FOR?

The birth of this campaign/organization came from answering myself one question "What Do I Stand For"???

So I wrote a song called **"World Be Free"**:

- Taking a stand against poverty.
- Using my freedom to fight for the freedom of others.
- Understanding the power of MY VOICE.

LET

THE WORLD

BE FREE

LIVE YOUR

LEGACY!!!!

A person's hands are silhouetted against a bright, hazy sunset sky, forming a heart shape. The sun is low on the horizon, creating a warm, golden glow. The sky transitions from a pale yellow near the horizon to a deep blue at the top. There are some wispy clouds on the right side. The person's arms are extended from the left and right sides of the frame, with their fingers interlocking to form the heart. The overall mood is peaceful and hopeful.
