Creating the solution

Coca Cola and Samsung Argentina

- **Their Problem:** Create a new website responsive to iPhone, Android, and Blackberry that would include all of their daily promotions.
- **Our Solution:** We developed a game for consumers to play from their mobile phones to engage further with the brands, naturally & seamlessly.

US LOTTERIES

- **Their Problem:** Create a mobile platform for the iPhone that would include all of their daily lottery drawings.
- **Our Solution:** We developed several gambling games for users to play from their mobile phones for any state lottery in the US.

Greenpeace Marketing

- **Their Problem:** Create an online marketing campaign to increase customer awareness through supporters and donations.
- **Our Solution:** We developed several SEO strategies and websites to boost traffic. We increased their traffic by 90% in 3 months.

The image shows the Greenpeace logo, which consists of the word "GREENPEACE" in a white, bold, sans-serif font, centered on a solid green rectangular background.

THE EMMY AWARDS SHOW

The Academy of Television Arts & Sciences selected iSolutionsPro & TrueLogic to develop their iPhone app for the Emmy Awards.

- App allows viewers to explore and interact with Emmy Awards content
- Features include access to real-time information, online streaming, photos, bios, videos, and more original content.

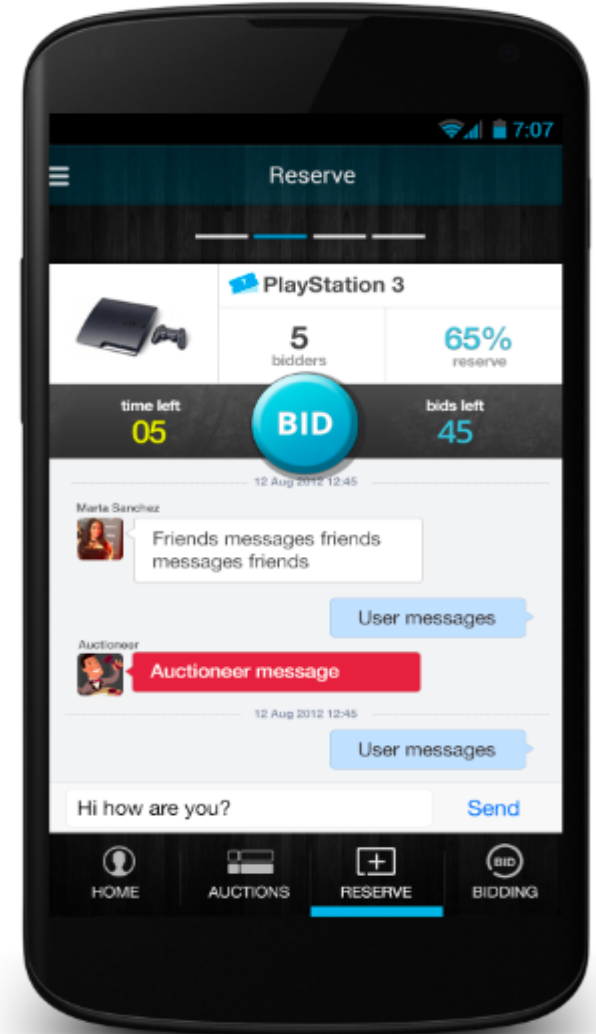

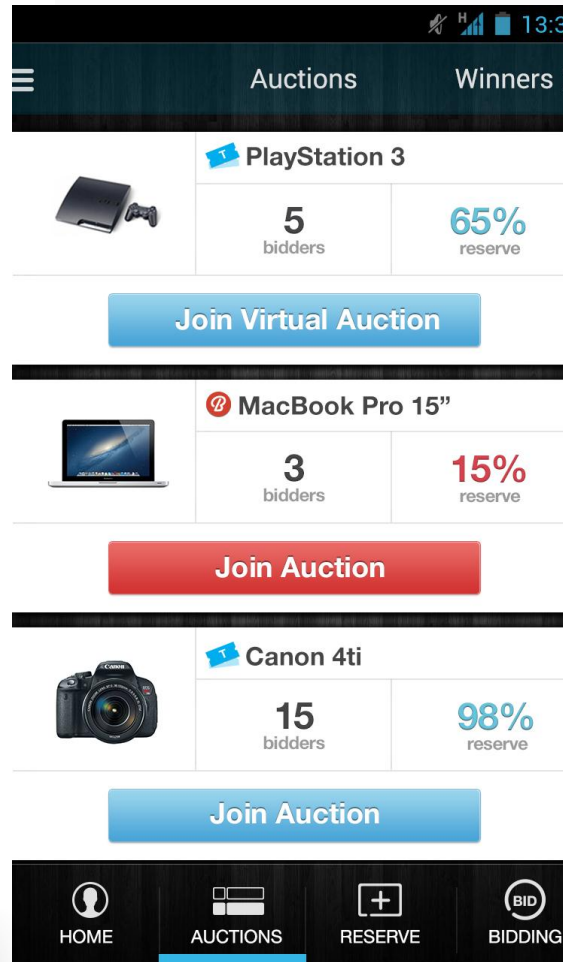

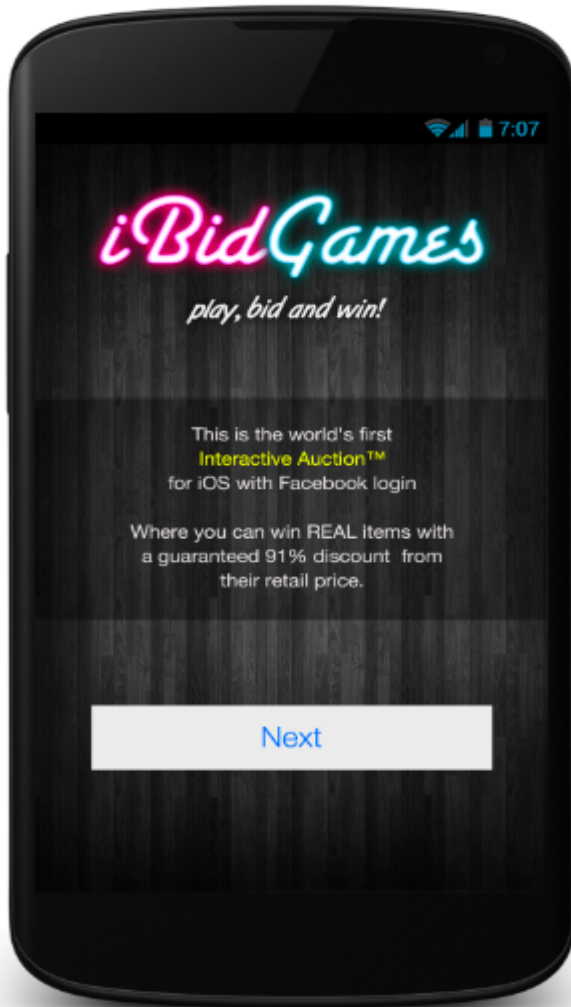

iBidGames

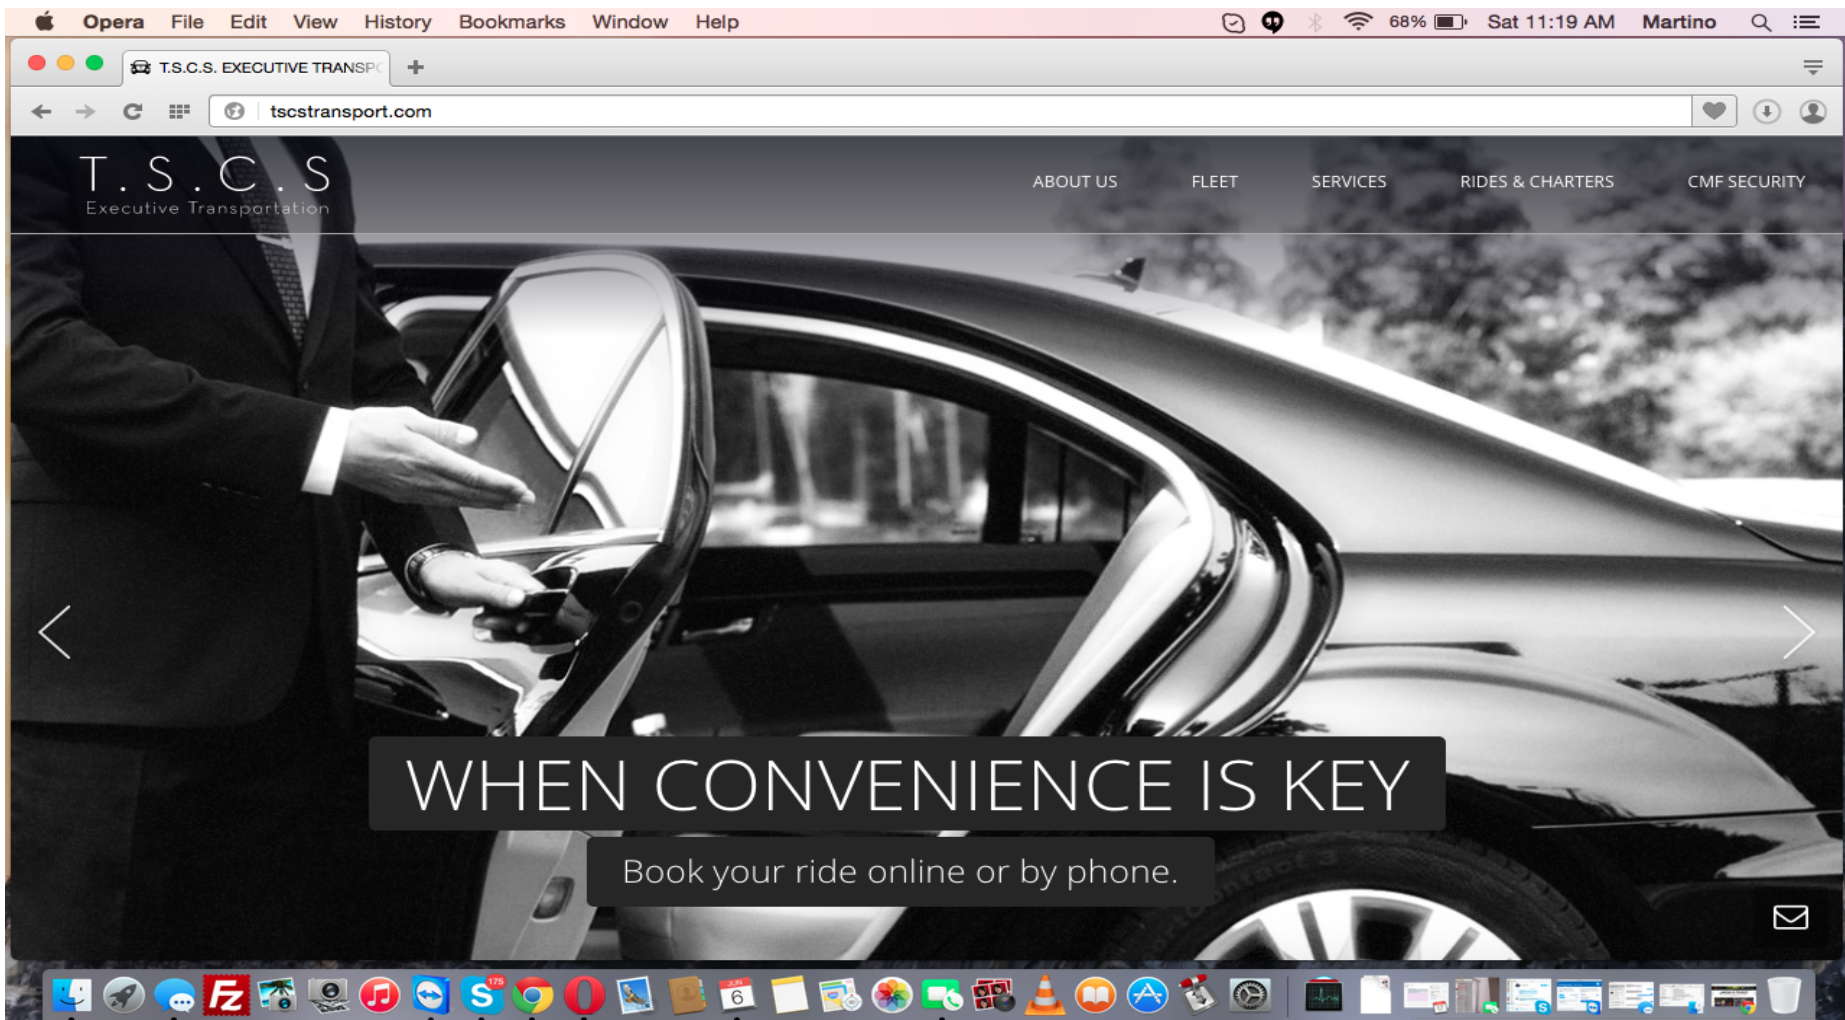

- **Problem:** The penny auction industry is dishonest, uses robot users, and is not scalable in mobile.
- **Our Solution:** We developed a real time interactive auction that verifies users' identities and uses a crowdfunding platform to make an honest, social, profitable, and extremely scalable app.

The screenshot displays the iBidGames Facebook page. At the top, the browser address bar shows the URL: https://apps.facebook.com/ibidgames/?fb_source=search. The page header features the iBidGames logo with the tagline "play, bid and win!". Below the logo, the user profile for Martin Vincent is shown, indicating 6263 tokens and 0 credits. The main content area is divided into sections: "PLAY FOR TOKENS" (marked as free) and "PLAY FOR REAL ITEMS", followed by "MARTIN VINCENT'S UPCOMING AUCTIONS" and "OTHER UPCOMING AUCTIONS". Two featured auctions are visible: "Louis Vuitton Wallets" with a retail price of \$500.00 and 18% / 2 Bidders, and "iPad Mini 16GB" with a retail price of \$333.00 and 0% / 0 Bidders. A chat bubble at the bottom right says "Click to chat with Kenny he will answer live 6 to 10 pacific time!". The right sidebar contains "Your Apps" (Slots, Bingo, Poker), "Recommended Games", and a "Sponsored" ad for "FREE SLOTS" with a "Spin to Win!" promotion. A "Feedback & support" button is located on the left side of the sidebar.
